Data collection

Personal information

« When you post comments on this site, you must provide your name (or user name) and e-mail address. These data are stored in our database. Your e-mail address will never be used for any reason other than that to which you have given your consent. Your IP address is likewise stored but it will never be posted on the site, exploited, or communicated to a third party. The sole exception is for cases in which we are required by law to reveal your information.

Conforming to article 39 of the January 6, 1978 law on computing rights, you have the right to access, to modify, and to object to the personal data in our database which concerns you.

Cookies

"A cookie may be saved on your computer to allow your web navigator to retain the information you have entered in the comments form. This avoids the necessity of reentering your information each time you post on the blog.'

Responsibility

The comments found on these pages reflect only the opinions of the authors."

Moderation

"Certain comments and documents on this site are moderated after the fact."

All comments or material of an injurious, defamatory, xenophobic, racist, anti-semetic or pornographic nature, any comment that incites hatred or violence, or more generally any subject contrary to our shared human values will not be accepted. eThera reserves the right to remove without warning any comments in violation of this rule.

"Comments are moderated before being posted. In the event that you do not see your

comments posted, please refrain from posting the same comments several times."

eThera accepts and gladly posts links to external sites that have been recommended by our users. We make an effort to consult these sites ; a selection of sites are chosen on the basis of their value and their content, but that implies no approbation on the part of eThera of the opinions expressed on these sites and no validation of the information they provide. eThera in no way takes responsibility for the content of external sites. Please inform us of links to any websites which are illegal or which border on illegality.
