

### **What could be better than being surrounded 24/ 7 by native speakers of the language you're learning ?**

Many programs available\* for adults and all levels :

#### **Immersion abroad:**

- Classes in a school with other foreign speakers : individual or group classes (6-12 maximum)
- Classes in the professional fields of your choice : (marketing, finance etc.) and general courses.

(Possibility of 4 to 6 course hours/day over one or several weeks)

- Cultural activities outside the classroom : museums, theater, etc.
- Accommodations in a hotel or with a local host in a single room of a private residence for total immersion.
- Possibility of lessons with a professor who will also host you in his/her home.

(What could be better ?! Personalized courses during the day, going out in the evening, meals with your host and his/her family.)

#### **Immersion et retreats en France :**

-

You are not leaving the country...we 'll arrange a stay with an appointed professor within France..

-

We also organize 3-4 day retreats centered around different professional or cultural themes.
